## How to tie garbage bags

## Large amounts of garbage

You **CANNOT** throw away large amounts of garbage at the garbage station.

If your garbage doesn't fit in the Garbage Station:

1. Split up the garbage and wait until the next collection date.
2. Bring the garbage to the Iwa☆Pika Garbage Center.
3. Call a collection company to pick up the garbage.

## Rejected garbage

If your garbage is not sorted correctly, the paper on the right will be attached. Collect your garbage and sort it properly before disposing of again.

If the yellow paper is attached and the garbage hasn't been collected, city garbage management staff will contact the owner to warn about proper disposal methods.
