

Precautions for canoeing

-  Make sure to use the restroom before canoeing.
-  Be sure to wear a lifejacket when canoeing.
-  Canoes must be used within the confines of the buoys set up at Taisho Pond.
-  Do not bring valuables with you as it's impossible to retrieve anything that has fallen into the water.
-  Emergency communication devices and whistles should be waterproofed and worn with a string through them to prevent them from falling into the water.
-  Be aware of changes in weather and return to shore if the weather starts to deteriorate.
-  Do not fish from the canoe.
-  Do not stand on the canoe or intentionally rock or sway it.
-  Swimming is prohibited in Taisho Pond. Canoeing while drunk or under the influence of alcohol is not permitted.
-  Please comply with the hours of use and maximum number of boats allowed. For your safety, please follow instructions from staff.

Precautions for the use of the Tonebetsu Natural Park

-  Take care of plants and animals.
-  Do not smoke or play with fire.
-  Do not ride bicycles or motorcycles in the park.
-  Do not venture off walking paths.
-  Beware of dangerous insects and plants such as ticks, bees, and Asian poison ivy.
-  Beware of wild bears and foxes.
-  Refrain from going near the pond at night.
-  Use the facilities considerately.
-  Stay away from wild birds during their nesting season.
